

HKBU SBAA SIMULATED TRADING COMPETITION

School of Business Alumni Association hosts this simulated trading competition to provide HKBU students the opportunity to practice trading skills through hands-on experiences. Individual participants will emulate the daily job of a professional trader, conducting active trading on Interactive Brokers' simulated trading platform.

Winners of the competition will have the chance to get internship opportunities in financial firms. It is also required for all the participants to write down and share their trading strategies. Participants may be invited to conduct interviews with media. Each participant will receive a certificate as well.

The simulated trading platform used in this trading competition is provided by Interactive Brokers (www.interactivebrokers.com). Although execution is simulated, the market data for selected exchanges in the platform is in real time. Participants can use the desktop trading application or mobile trading application to perform trading activities.

The following assistance will be provided to all participants:

- Trading training sessions hosted by senior traders.
- Interactive Brokers trading platform training session.
- Education contents available on Interactive Brokers website.

Details:

- a. Competition period: November 4th to 29th (four weeks)
- b. Target: All HKBU students
- c. Fee: Free of Charge
- d. Competition Details:
 - 1) Markets to trade: U.S. and Hong Kong
 - 2) At least two asset classes (from FX, Stock, Future, Option, Bond, etc.)
 - 3) Initial account balance: 1,000,000 USD
 - 4) Trading frequency: Minimum 20 executions in total
 - 5) Participants will be ranked by their account's net liquidation values at the end of the competition period to determine the winners. The investment strategy and experience sharing will also play an important role in determining the suitable internship for the winners. (HKBUSBAA reserve the right to make final decisions. Further rules may be added in the competition as well)
- e. Registration: Online registration Access: <http://goo.gl/negqMK>
