Alumni Association

Dear HKBU Alumni,

Over the years, Hong Kong Baptist University Alumni Association (HKBUAA) serves as a network for local and international alumni to stay in close touch and provide mutual support to one another. This year, HKBUAA is celebrating the Golden Jubilee and a series of initiatives including a Gala Dinner and a fund-raising campaign have been launched. As a finale of the celebration, we have the pleasure of planting a Arolla Pine tree (針松) in a lawn on campus and a Tree Planting Ceremony will be held.

During the tree planting ceremony, there will also be a cheque presentation session to honour the generous contribution of donors of the fund-raising campaign.

On behalf of the Association, I have the pleasure to invite you to attend the ceremony. The details are set out below:
